work experience

Gradient Life Brokerage - VP of Marketing

Arden Hills, MN (Hybrid) - September 2020–Present

- Design Life insurance policies to best suite the needs of the agent and client, educating them on the benefits, and necessity for life insurance.
- Effectively communicator with agents and business partners on current industry standards, practices, trends, and new products available on the market.
- Preformed policy, carrier, and company presentations highlighting the advantages and opportunities in joining Gradient Life Brokerage in the industry over the competition.

A&M - Installation & Assembly - Minneapolis, MN

November 2019-September 2020

- Work with clients to achieve the desired look and placement quickly and with the highest quality of care.
- Assess the visual design plan for any errors or last minute changes quickly to meet the standards of the client and help facilitate any corrections needed.

Downtown Eyes - Optometric Technician Lead

Minneapolis, MN - March 2018 - July 2019

- Answer customer inquiries on products, pricing, and scheduling.
- Work one-on-one with clients to make their experience seamless and enjoyable, while delivering the highest quality of service, and maintaining patient confidentiality.
